HARINI D

B.E. Computer Science & Engineering | S.A. Engineering College, Chennai
Phone: 7397344992 | Email: harinibunnie@gmail.com
Address: No:14, R.R. Street, Vasantham Nagar, Avadi, Chennai - 600071

PROFILE

A driven and detail-oriented Computer Science undergraduate with hands-on experience in web development, Java, and UI/UX design. Passionate about applying technical skills in real-world scenarios, with a proven track record of completing multiple internships and earning industry-recognized certifications across cloud computing, data structures, agile methodologies, and software testing. A strong team player with a quick-learning mindset and a dedicated problem-solving approach.

EDUCATION

Degree	B.E. Computer Science and Engineering (Pursuing)
College	S.A. Engineering College, Chennai
School	Nazareth Matriculation Higher Secondary School

TECHNICAL SKILLS

- **Programming Languages:** Python, Java
- **Web Development:** HTML, CSS, JSP — currently building mini projects
- **Cloud & Tools:** AWS Cloud, MATLAB, Figma, Rapid Developer
- **UI/UX Design:** Frontend design basics and user interface prototyping
- **Soft Skills:** Team collaboration, problem-solving, time management
- **Languages Known:** English, Tamil

INTERNSHIP EXPERIENCE

Testing Intern & Project Management — Webzenith (Online)

- Performed functional and regression testing for web-based applications.
- Assisted in project management tasks including task tracking and reporting.
- Collaborated with development teams to document bugs and verify fixes.

Web Development Intern — Detqel (Online)

- Completed a virtual internship focused on front-end web development.
- Developed and styled web pages using HTML and CSS under mentor guidance.
- Participated in code reviews and delivered project assignments on schedule.

Web Development Intern — InternPe (Online Internship Platform)

- Participated in a structured online internship with practical project assignments.
- Built responsive web pages and enhanced frontend skills through guided tasks.

Web Development Intern — Virtual Tech Services (Offline)

- Gained hands-on experience building web applications using HTML, CSS, and JSP.
- Worked directly with the development team in an offline work environment.
- Delivered a functional web module as part of the internship project deliverable.

CERTIFICATIONS

NPTEL — National Programme on Technology Enhanced Learning

- **Programming in Java —** Covered OOP principles, Java syntax, data structures, and hands-on problem-solving.

MATLAB Certifications — MathWorks

- Optimization Onramp
- Organize Your Functions
- Computer Vision Onramp
- App Building Onramp
- Import Data from Multiple File Types

Infosys Springboard — Online Learning Platform

- Front End Developer
- Python Programming
- Agile Scrum Practice
- Data Structures in Python

Amazon Web Services (AWS) — AWS Academy

- AWS Academy Graduate — AWS Academy Cloud Foundations
- AWS Academy Graduate — Cloud Architecting Training Badge

Other Online Certifications

- **Udemy —** Web Development and Programming courses.
- **Figma —** UI/UX Design Fundamentals and prototyping tools.
- **Rapid Developer —** Low-code application development and workflow automation.

ACADEMIC PROJECTS

Web Development Mini Projects

- Designed and developed multiple mini web applications using HTML, CSS, and JSP.
- Implemented responsive layouts and user-friendly interface designs.
- Applied front-end development principles learned through internships and certifications.

ADDITIONAL INFORMATION

Professional Attributes

- **Team Player —** Works effectively in group settings, contributing to shared goals and open communication.
- **Quick Learner —** Adapts rapidly to new tools, technologies, and workflows with minimal ramp-up time.
- **Responsible —** Reliable with task ownership, meeting deadlines, and delivering quality output.

Interests

- **Continuous Learning —** Actively explores emerging technologies, online courses, and industry developments to stay current.
- **Music —** Appreciates music as a creative outlet and a source of focus during work and study.
